

Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a Customer Service Representative at (330) 363-7407 or 1-800-577-5084. TTY users should call 711. A Customer Service Representative is available to assist you at the above phone numbers, Monday through Friday from 8:00 a.m. to 8:00 p.m. (October 1st – March 31st, we are available 7 days a week, 8:00 a.m. to 8:00 p.m.)

Understanding the Benefits

- ☐ Review the full list of benefits found in the Evidence of Coverage (EOC), especially for those services for which you routinely see a doctor. Visit www.pthp.com or call Customer Service at (330) 363-7407 or 1-800-577-5084 (TTY users should call 711) to view a copy of the EOC.
- ☐ Review the Provider Directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- ☐ Review the Pharmacy Directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.

Understanding Important Rules

- ☐ In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- ☐ Benefits, premiums and/or copayments/co-insurance may change on January 1, 2027.
- ☐ Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
- ☐ Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for certain covered services provided by a non-contracted provider, the provider must agree to treat you. Except in an emergency or urgent situations, non-contracted providers may deny care.

You are eligible for membership in our plan as long as you have both Medicare Part A and Part B, you are a United States citizen or are lawfully present in the United States, and you live in our service area. Our service area includes the following counties in Ohio: Carroll, Columbiana, Harrison, Holmes, Mahoning, Medina, Portage, Stark, Summit, Tuscarawas, & Wayne.

PrimeTime Health Plan has a network of doctors, hospitals, pharmacies, and other providers. You must receive your care from a network provider. In most cases, care you receive from an out-of-network provider (a provider who is not part of our plan’s network) will not be covered. Our plan offers a point-of-service (POS) option for lab services, non-Medicare covered dental, and non-Medicare covered vision services. *Out-of-network provider exceptions are noted in italics in the chart.* To find participating providers and pharmacies, please call us or visit our website at www.pthp.com.

Out-of-network/non-contracted providers are under no obligation to treat PrimeTime Health Plan members, except in emergency situations. Please call our customer service number or see your Evidence of Coverage for more information, including the cost-sharing that applies to out-of-network services.

For coverage and costs of Original Medicare, look in your current “Medicare & You” handbook. View it online www.Medicare.gov or get a copy by calling 1-800-MEDICARE (1-800-633-4227) 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

PrimeTime Health Plan is an HMO-POS plan with a Medicare contract. Enrollment in PrimeTime Health Plan depends on contract renewal. This information is available in alternative formats such as large print, audio CD, or other alternate formats. Please call Customer Service if you need plan information in another format or language.

Outpatient Part D Prescription Drug Coverage

Cost-sharing may change when you enter a new stage of the Part D benefit. For more information on the stages of the benefit, please contact the plan or view the Evidence of Coverage online at www.pthp.com.

Phase 1: Deductible Stage	The Deductible Stage is the first payment stage for your drug coverage. For our plans that have a deductible, you must pay the full cost of your Tiers 3, 4, and 5 drugs until you reach our plan's deductible amount. For all other drugs, you won't have to pay any deductible. Once you have met the deductible amount, you leave the Deductible Stage and move on to the Initial Coverage Stage.
Phase 2: Initial Coverage Stage	The plan pays its share of the cost of your covered prescription drugs, and you pay your share (your copayment or coinsurance amount). Your share of the cost will vary depending on the drug and where you fill your prescription. You pay the following copays/coinsurance until your total yearly drug costs reach \$2,100.

You won't pay more than \$35 for a one-month supply, \$70 for a two-month supply, \$105 for a three-month supply, or 25% of the cost (whichever is lower) of each covered insulin product even if you haven't paid your deductible.

The below copays/coinsurance are for prescriptions purchased from network pharmacies. Costs will differ based on whether the prescriptions are filled at a preferred pharmacy, standard pharmacy, or mail order pharmacy. Refer to your pharmacy directory for information on which pharmacies are preferred or standard. Cost will also differ based on the number of days' supply. Long-Term Care (LTC) pharmacies can fill up to a 31-day supply at the 30-day copays/coinsurance listed below.

- During this payment stage, the plan pays the full cost for your covered Part D drugs. You pay nothing.
